In accordance with Section 99 of the Petroleum Act 2019, a person convicted of retailing petroleum products above the maximum pump price shall be liable to a fine of not less than Ten Million Shillings or an imprisonment term of not less than five years or both. In this respect, consumers are requested to be vigilant in reporting non-compliant retailers to the authorities for necessary legal action. The Authority has installed a hotline number **(0708 444 000)**, operational during normal working hours, with a view of increasing its engagement with stakeholders to enhance enforcement and compliance activities.

The Authority maintains a Short Message Service (SMS) based inquiry system for petroleum pump prices where members of the public can obtain the latest petroleum prices in major towns by sending the message: **"price <space> name of major town"** to **0707667623**.

The Authority would also wish to alert petroleum retail station dealers of increased instances of fraudsters purporting to monitor petroleum prices on behalf of the Authority. On this account, the Authority has put in place an SMS inquiry system where dealers can verify the authenticity of persons inspecting their stations by sending the message: **"staff <space> ID no. of the person inspecting"** to **0707667623**.

Further, the Authority wishes to caution petrol station dealers that it is an offence to store or offer for sale adulterated or export bound petroleum products. The Authority shall not hesitate to revoke licences of petroleum dealers found to have committed such an offence.
