

## PUBLIC NOTICE

### SALE OF ADULTERATED OR EXPORT BOUND MOTOR FUELS IN THE LOCAL MARKET

The Energy and Petroleum Regulatory Authority (The Authority) is mandated under Section 92 of the Petroleum Act 2019 to monitor petroleum products offered for sale in the local market with the aim of preventing motor fuel adulteration or dumping of export bound fuels. In this regard, the Authority undertakes a program of continuous monitoring of the quality of petroleum motor fuels on sale, transport and storage throughout the country.

During the period April - June 2019, a total of 7025 tests were conducted at 2675 petroleum sites. From the tests, 99.4% of the sites were found to be compliant. However, tests from fifteen (15) sites turned out to be non-compliant.

Pursuant to Regulation 15 of the Energy (Retail Facility Construction and Licensing) Regulations 2013, the non-compliant stations and their particular offences are listed hereunder:
