## SALE OF ADULTERATED OR EXPORT BOUND MOTOR FUELS IN THE LOCAL MARKET

The Energy and Petroleum Regulatory Authority (EPRA) is mandated under Section 92 of the Petroleum Act, 2019 to monitor petroleum products offered for sale in the local market with the aim of preventing motor fuel adulteration or dumping of export bound fuels. Accordingly, the Authority undertakes a program of continuous monitoring of the quality of petroleum motor fuels on sale, transport and storage throughout the country.

During the period October - December 2019, a total of 4,392 tests were conducted at 882 petroleum sites. From the tests, 99.54% of the sites were found to be compliant. However, tests from four (4) sites turned out to be non-compliant.

Pursuant to Regulation 15 of the Energy (Retail Facility Construction and Licensing) Regulations 2013, the non-compliant stations and their particular offences are listed hereunder:

	Test Date	Name of Station	County	Physical Location	Nature of non-compliance	Status as at 1 <sup>st</sup> October 2019 to 29 <sup>th</sup> December 2019
1	04.10.2019	Kangundo Road illegal Site	Nairobi	Embakasi	Diesel meant for export found at the site	Site closed and suspects charged in court
