In accordance with Section 99 of the Petroleum Act No. 2 of 2019 (the Act), a person convicted of retailing petroleum products above the recommended price shall be liable to a fine of not less than ten million Kenya Shillings, or a term of imprisonment of not less than five years or to such fine and imprisonment. Further, Oil Marketing Companies are cautioned that non-compliance with the recommended maximum wholesale petroleum prices shall attract a fine of not less than five million Kenya Shillings as per Section 124 of the Act. In this respect, consumers are requested to be vigilant in reporting non-compliant retailers to the authorities for necessary legal action. The Authority has installed a hotline number (0708 444 000), operational during normal working hours, with a view of increasing its engagement with stakeholders to enhance enforcement and compliance activities.

Members of the public can obtain the latest petroleum prices in major towns by sending the message: "price <space> name of major town" to *40850# or by dialing the short code *363# on their mobile phones.

The Authority also alerts petroleum retail station dealers of increased instances of fraudsters purporting to monitor petroleum prices on behalf of the Authority. On this account, the Authority has put in place an SMS inquiry system where dealers can verify the authenticity of persons inspecting their stations by sending the message employee followed by the national ID number to 40850 e.g. employee 12345678 or by dialing the short code *363#.

Further, the Authority seeks to caution petrol station dealers that it is an offence to store or offer for sale adulterated or export bound petroleum products. The Authority shall not hesitate to revoke licenses of petroleum dealers found to have committed such an offence.
